<Character name>, We have a saying at the Durmand Priory: "Remember the past so you may shape the future." With that in mind, I've been conducting interviews and collecting historical information on Scarlet Briar and her war against Tyria starting in 1326 AE. I've prepared a summary of my research for you.

"I Remember You" is a deliberate, nuanced story of interconnection. It is a sci-fi story in its literal sense (there is science and it is fiction), but it is really about what it means to be truly connected with someone and the confusion that can come with sensing that connection without really being able to explain it.
