Invitation to a beheading is a difficult novel to read. Very Kafkaesque ( though Nabokov denies in the foreword , of having any influence by him) world where the individual is not able to fit himself in the society that is being forced upon him. In his world only he is real and the rest of the cast is a

parody and living false life.

Vladimir Nabokov So we are nearing the end. The right-hand, still untasted part of the novel, which, during our delectable reading, we would lightly feel, mechanically testing whether there were still plenty left (and our fingers were always gladdened by the placid, faithful thickness) has suddenly, for no reason at all, become quite meager: a few minutes of quick reading, already downhill ...
