Activity 1 Italian Food History

The history of banking began with the first prototype banks which were the merchants of the world, who made grain loans to farmers and traders who carried goods between cities. This was around 2000 BC in Assyria, India and Sumeria. Later, in ancient Greece and during the Roman Empire, lenders based in temples made loans, while accepting deposits and performing the change of money.

History of banking - Wikipedia

We are planning this tour in September but we will have a rental car and luggage. Is it possible to meet at the first location and then follow the cars/buses with our car to the other locations?
