Against The Tide Of Years

Plot summary. Against the Tide of Years takes place approximately 10 years after the events of the first book. The leadership of the Republic of Nantucket has invested a great deal of time and effort into building up a substantial military force, both a deep-water navy and a Marine Corps, but the bulk of Nantucket's population are more interested in...

Against the Tide of Years shows how the Islander's are adapting, what impact they are having on the Bronze age society. Walker and his evil wife Alice Hong are still rampaging and causing strife wherever they go, it is now time to track them down and stop them but something always seems to interfere with this task. This is the second of three ...
