Richard J. Evans' In Defence of History is an attack on the influence of postmodernism on the practice of history. What makes it interesting is that in this case the attack is coming from the Left. What makes it even more interesting is that Evans is not even particularly hostile to postmodernism.

### **In Defence of History by Richard J. Evans - Goodreads**

In this volume, English historian Richard Evans offers a defence of the importance of his craft. At a time of deep scepticism about our ability to learn anything from the past, even to recapture any serious sense of past cultures and ways of life, Evans shows us why history is both possible and necessary.

Review: In Defence of History by Richard Evans Although originally written fifteen years ago, Richard Evans' In Defence of History is still a book I would recommend to both students of history, and those simply curious about the possibility of historical knowledge.

### **In Historics!: Review: In Defence of History by Richard Evans**

In Defence of History. Richard J. Evans mounts a brilliant and compellingly effective defence of the historian's capacity to reach genuine insights about past events. In Defence of History has already become a standard text in the teaching of history. In this new edition, Evans replies to his critics — conservative and postmodernist — in a measured, forceful afterword.

Readers who enjoyed Peter Ghosh's elegant dismantling of Richard Evans's case for Rankean empiricism (LRB, 15 October) may wish to go on to read Quentin Skinner's essay on Geoffrey Elton's defence of history (Transactions of the Royal Historical Society, Sixth Series, Volume VII, 1997), which it complements admirably.

### **Peter Ghosh reviews 'In Defence of History' by Richard J ...**

A lucid, muscular, and often sly reflection on the nature of historical knowledge by an experienced practicing historian. It is difficult to imagine a stronger or more convincing case than Evans's for the distinctiveness of historical knowledge as a mode of human thought. For in reading him, one joins company with someone who finds history a matter, as Allan Nevins long ago put it, of "free ...
