I Used To Be So

Used as an adjective. Use to be + used to. This means to be accustomed to. For example- I can study with the TV on. I am used to it. It means I am accustomed, adjusted, or don't mind having the TV play while I'm studying. Or another example- Tim had a hard time living in Tokyo. He wasn't used to so many people.

Use to/ Used to - 5 Minute English

Traditionally, used to behaves as a modal verb, so that questions and negatives are formed without the auxiliary verb do, as in it used not to be like that and used she to come here? In modern English, this question form is now regarded as very formal or awkwardly old-fashioned, and the use with do is broadly accepted as standard, as in did she ...

'be/get used to' If you are used to something, you are accustomed to it – you don't find it unusual. If you get used to something or you are getting used to something you are becoming accustomed to it – it was strange, now it's not so strange. I found Slovak food very strange at first but I'm used to it now.
