Those two books, and his biggest-seller, Infamous Scribblers: The Founding Fathers and the Rowdy Beginnings of American Journalism, which was a selection of both the Book of the Month Club and the History Book Club, are among five of Burns's book to have been "adopted" by various college curricula for courses in journalism, American history ...

Eric Burns - Wikipedia

A review of Infamous Scribblers: The Founding Fathers and the Rowdy Beginnings of American Journalism, by Eric Burns. everyone takes credit for success, even if it's only gilt by association. Eric Burns is host of Fox News Watch and a former correspondent for NBC News. So Infamous Scribblers unsurprisingly says that 18th-century journalism was the father of American independence and the first ...

Hacks Americana | The Founding Fathers

"Infamous Scribblers" was a fantastic read. Newspapers haven't changed much since colonial times. the best part of the book was the historical facts brought up, and the infighting of politicians and printers, among themselves and with each other. It brought out things about our founding fathers that aren't in your regular history books.
