All is well. The life upon which you have embarked is a blessed experiment. It is not the only journey you will make. It is not your last chance. It's one of many such excursions into and out of form and formula – you and I are learning much from your travels and from your travails (though you needn't struggle so). ...

I am very much aware that all was not well with these Saints. All they had to do was to look around and see how it really was. They were plagued by sickness, heat, fatigue, cold, fear, hunger, pain, doubt, and even death. But in spite of having every reason to shout, "All is not well," they cultivated an attitude that we cannot help ...

Voltaire concludes with Candide, if not rejecting Leibnizian optimism outright, advocating a deeply practical precept, "we must cultivate our garden", in lieu of the Leibnizian mantra of Pangloss, "all is for the best" in the "best of all possible worlds". Candide is characterized by its tone as well as by its erratic, fantastical, and fast ...
