A new anthology edited by the anarchist philosopher John Zerzan, Against Civilization: Readings and Reflections. The book is composed of excerpts from the works of a wide range of authors who've offered radical critiques of industrial society.

Against Civilization: Readings and Reflections : John ...

This is a scintillating book, which is a collection of gems of thought on anarchistic basis of life. Collectively they argue that primitive ways of life is what makes us human, and that the so called 'development', as in civilization, is actually a deviation from what we are to say the least.

Against Civilization: Readings and Reflections by John Zerzan

Against Civilization, first published in 1999 by Uncivilized Books and out of print for several years, is the well-regarded primer to Green Anarchism, Anarcho-Primitivism and the most radical but relevant form of anarchism to develop in the past decade. Anarcho-primitivism is a shorthand term for a radical current that critiques the totality of civilisation from an anarchist perspective and ...
