*Our book servers saves in multiple countries, allowing you to get the most less latency time to download any of our books like this one.*

*Merely said, the 2 mark questions and answers is universally compatible with any devices to read*

## **2 Mark Questions And Answers**

For a one mark question, try writing the answer in a word or two or maybe, in a line. But do not use more than 15 words for your answer. For a 2-marks question, writing 2-3 lines is sufficient in about 40 words. If it's English or Social Science, you can extend the answer to not more than 50 words.; Now 5-marks questions are very important.
