A Summary of Ads R Us by Claire Carmichael | Kibin

Barrett had no personality, none of his own opinions (all of his opinions were from his uncle). He was violent and refused to even attempt to comprehend the technology of the World he had been bought into. Barrett was still a sheep, just of different stock. Ads R Us was "so dire" as Taylor would have put it.

Jordan's Blog

review 1: The ending of the book was a bit rushed and wasn't the best finish. Also a bit more info on particular things could've made the plot more understandable. In general, I quite liked the book. The plot wasn't very confusing for these complex topics (future, advertisements, etc.) and the author did a good job in trying to image of what our future could possibly be like. A great book to ...
