### **After London Or Wild England**

Starting in on After London immediately after Earth Abides, I felt at first that I was reading a different draft of the same novel. Like Stewart, Richard Jefferies tells how a radically depopulated land, England in this case, returns to a state of nature as cultivated land and domesticated animals become wild and untamed with the hand of man ...

Published by Edinburgh University Press. Opens up readings that situate the text in relation to a range of literary, cultural and biographical contexts including Jefferies' life, ideas, and works

**Richard Jefferies, After London; or Wild England ...**

Beginning with a loving description of nature reclaiming England -- fields becoming overrun by forest, domesticated animals running wild, roads and towns becoming overgrown, the hated London reverting to lake and poisonous swampland -- the rest of the story is an adventure set many years later in the wild landscape.
