Just finished reading an excellent book called "A Better India, a Better World" by Narayana Murthy, mentor at Infosys. This is a collection of his speeches, but the narrative is fine and Mr. Murthy is a fine thinker with a lot of innovative thoughts and ideas for improving India. A wonderful book to read, highly recommended.

A Better India, a Better World. With one of the highest GDP growth rates in the world and an array of recent achievements in technology, industry and entrepreneurship, India strides confidently towards the future. But, in the world's largest democracy, not everyone is equally fortunate. Some 300 million Indians are still prey to hunger,...

The Indian government’s Swachh Bharat Mission (SBM), launched in 2014, is a national campaign launched by the prime minister of India to free the country from open defecation practices. Through this campaign, in Bihar alone, 19 times as many toilets were built in Patna between 2017 and 2018, compared to before 2014 when SBM was launched.

A better place to live. According to UN's latest Human Development Report, the world is becoming a better place to live. Though the fact remains that about 800 million people in the world go to bed hungry daily, more than 1 billion people have risen out of extreme poverty in the past 25 years. The report ranks countries that are best to live in.
