Introduction to the New Testament - The NTSLibrary

Introducing the New Testament presents the complex and often challenging texts and history of the New Testament in a clear and informative manner. The book begins with a section that gives readers a clear idea of how to use it most effectively for study and personal research, followed by a chapter which outlines the various manuscript traditions and processes of transmission that resulted in the biblical texts we have before us today.

Introducing the New Testament: Henry Wansbrough: T&T Clark

Introduction to the New Testament. The New Testament is a record of historical events, the 'good news' events of the saving life of the Lord Jesus Christ—His life, death, resurrection, ascension, and the continuation of His work in the world—which is explained and applied by the apostles whom He chose and sent into the world.
