AIS was awarded the supplemental labor personnel (SLP) services contract at Lawrence Livermore National Laboratory (LLNL) in May 2010. This award of a substantial 5-year contract (with an additional 5-year option) represents a significant competitive achievement for the Akima, LLC family of companies.

AIS | About Us

1982. In 1982, Trimble began engineering products that would take advantage of the U.S. Government's newly launched GPS satellites. Trimble's first products using GPS technology benefited applications requiring precise measurements, such as in the land and hydrographic survey industries.

About Trimble | Company History 1978 - Present

We believe that in a fragmented industry like the AEC there is no one tool that can do everything. We believe in focussed applications that do one thing very good.
