Hysteria, Megan Miranda - link.ocln.org

Hysteria by Megan Miranda: Great new thriller from the author of Fracture. I stayed up til 4 am finishing this one and admittedly scared myself a little since this is such a suspenseful and gripping novel. The author's writing style instantly and completely grabs your attention as you try to figure out just what is real and what isn't in the protagonist's mind.

Hysteria by Megan Miranda: Great new thriller from the ...

Megan Miranda. Megan Miranda was a scientist and high school teacher before writing Fracture, which came out of her fascination with scientific mysteries-especially those associated with the brain. Megan has a BS in biology from MIT and spent her post-college years either rocking a lab coat or reading books.
