Since our inception in 1994, Keystone Capital has followed a very different approach to investing in, and growing, companies. Identify high quality businesses with potential for significant growth and value enhancement. Give them the capital, resources and strategic guidance they need to flourish. Most importantly, give them the latitude to make the right decisions at the right time for their ...

In the Age of Creativity, innovation, agility and discipline are paramount to an organization's success. Nonetheless, many organizations still employ a linear approach to growth - engaging in transactional decision-making and trading on principles to meet short-term demands, both of which lead to an eventual inability to meet strategic, long-term objectives.

History. Informa's oldest business started in 1734 when Lloyd's List, now one of the world's oldest continuously running journals, began covering London shipping news.. Informa itself was created in 1998 by the merger of IBC Group plc and LLP Group plc. Since then Informa has expanded considerably, including a 2004 merger with the publishing company Taylor & Francis and a 2005 acquisition of ...
