### **Stephen Tanner - Wikipedia**

Afghanistan: A Military History from Alexander the Great to the War against the Taliban by Stephen Tanner.

### **Afghanistan: A Military History from Alexander the Great ...**

The generations of military strategists that attacked Afghanistan would find a wealth of common sense lessons from Tanner's book. Tanner finishes his military history with a look at the American campaign until June of 2002.

### **Afghanistan: A Military History from... book by Stephen Tanner**

A blow-by-blow accounting of the military history of Afghanistan, labeled 'The Graveyard of Empires' for a reason. Tanner does more to illustrate the history of this region than any other work I've come upon. Cited references, thoroughly conducted research, and what appears to be years of difficult scavenging the world round for information.
