The ancestors of the Lipizzan can be traced to around 800 AD. The earliest predecessors of the Lipizzan originated in the seventh century when Barb horses were brought into Spain by the Moors and crossed on native Spanish stock. The result was the Andalusian horse and other Iberian horse breeds.. By the 16th century, when the Habsburgs ruled both Spain and Austria, a powerful but agile horse ...

You don't want to ever put a multimeter to any computer module, and you don't ever want to put a multimeter to the pins of an airbag. It's very, very unlikely that it would damage anything, but there is remote possibility that you can damage the electronics and/or deploy an airbag with a multimeter.
