It is your no question own times to play-act reviewing habit. among guides you could enjoy now is agenda to change our condition hamza yusuf below.

Agenda To Change Our Condition

Agenda-setting theory describes the "ability (of the news media) to influence the importance placed on the topics of the public agenda". With agenda setting being a social science theory, it also attempts to make predictions. That is, if a news item is covered frequently and prominently, the audience will regard the issue as more important.
