### **A Girl Named Digit (Digit #1) PDF download - Feed My Shelf**

I loved A GIRL NAMED DIGIT. With a tough-as-nails (but totally girly) heroine, a la early Buffy, a sexy secret agent, and plenty of villains to go around, Annabel Monaghan's first novel is pretty much unputdownable. Farrah -- or Digit, as she used to be called, due to her prodigious talent for math -- has been hiding her skills from her BFFs.

### **A Girl Named Digit|Paperback - Barnes & Noble**

A Girl Named Digit. But when Farrah, the daughter of a UCLA math professor, unknowingly cracks a terrorist group's number sequence, her laid-back senior year gets a lot more interesting. Soon she is personally investigating the case, on the run from terrorists, and faking her own kidnapping — all while trying to convince a young,...

### **TeachingBooks.net | A Girl Named Digit**

Math genius Farrah has tried to act like a regular high school girl and distance herself from a painful middle school nickname: Digit. But when she cracks a code that an eco-terrorist group has been broadcasting on a popular teen TV show, she finds herself in serious danger -- and under the protection of a young,...

### **A Girl Named Digit Book Review - Common Sense Media**

Readers will definitely need to suspend disbelief for this one, but if they do, they will find Digit to be a fun and likable character. The romance keeps pace with the action - Digit is just about as desperate for a kiss as she is to avoid a violent and painful death - making A Girl Named Digit a great beach or summer read. Keep in mind that she is only 17, and beginning a relationship, however innocent (they kiss, share some beer, and even a bed for the night) with a 21-year-old man.

### **A Girl Named Digit - Sweet on Books**

A girl named Digit / After identifying a terrorist plot, a brilliant seventeen-year-old girl from Santa Monica, California, gets involved with the young FBI agent who is trying to ensure her safety.

### **Summary/Reviews: A girl named Digit - Buffalo and Erie ...**

A Girl Named Digit. A Girl Named Digit is about a girl named Farrah Higgins, Digit who has a special talent with math and as much as she has tried to hide it she now has come face to face with a problem that can be life or death. She has decoded a terrorist code and now she is working with the FBI to try to stop them.
