This is pure and simple thievery. I want nothing more to do with Network Solutions and am willing to give up my personal site and urls -- with many years of equity in them -- just to stop them from stealing from me. They have changed in all the worst ways. There needs to be as easy a way to cancel services as there is to obtain them.

### **Delete a Hosting Account - Network Solutions**

Network Solutions make things far more difficult than they need to. On the 16th of June 2011 I registered a .tel domain out of my general interest in wasting money on domain names.. I made the mistake of registering this with a company called Network Solutions for reasons I do not currently remember (though I suspect they were along the lines of "anyone but GoDaddy").
