## **2015 Serial Killers True Crime**

One of the most compelling sources of contemporary horror is the phenomenon of serial killers. From true crime to horror fiction, as a nation, we obsess over these terrifying, fascinating figures. Just look at some of the most iconic horror movie franchise villains – Halloween’s Michael Myers, Anthony Hopkins’ unforgettable Hannibal Lecter, or the true crime-inspired Leatherface.

## **True Crime: Which States Produce the Most Serial Killers**

A serial killer is typically a person who murders three or more people, in two or more separate events over a period of time, for primarily psychological reasons. There are gaps of time between the killings, which may range from a few days to months, or many years. This list shows serial killers from the 20th century to present day by number of victims.

## **List of serial killers by number of victims - Wikipedia**

The FBI's Crime Classification Manual places serial killers into three categories: organized, disorganized, and mixed (i.e., offenders who exhibit organized and disorganized characteristics). Some killers descend from being organized into disorganized as their killings continue, as in the case of psychological decompensation or overconfidence due to having evaded capture, or vice versa, as ...
