These two FREE units will give you a solid foundation for Algebra which will allow you to better understand the entire Algebra curriculum.

### **Detailed Examples to Help You Understand Algebra Concepts**

Writing a Guided Practice section is the fourth step in writing an effective and strong 8-step lesson plan for the elementary school classroom. In the Guided Practice section of your written lesson plan, you will outline how your students will demonstrate that they have grasped the skills, concepts, and modeling that you presented to them in the Direct Instruction portion of the lesson.
