Historical Analysis. Iconographic analysis is used to establish the meaning of a particular work at a particular time. To identify the subject of an altarpiece as a Madonna and Child, however, explains nothing about the use of the altarpiece, how it fit into the surrounding culture, its economic import, or what it may reveal about social and political issues of the period.

The value of Yogananda's Autobiography is greatly enhanced by the fact that it is one of the few books in English about the wise men of India which has been written, not by a journalist or foreigner, but by one of their own race and training—in short, a book about yogis by a yogi. As an eyewitness recountal of the extraordinary lives and powers of modern Hindu saints, the book has ...
