### **Absent by Katie Williams**

Absent by Katie Williams is truly an amazing read and one that left me yearning to learn what happened next. ### **Write All the Words! - Review: ABSENT by Katie Williams**

Why did I read this book: I absolutely loved Katie Williams' thoughtful The Space Between Trees (it was even one of my top 10 of 2010). Still, I wasn't sure this sounded like something I wanted to read and I put it aside as a "maybe" until Stacked posted this awesome review. Paige is dead ...

I wanted very much to follow Paige as she discovered the truth about her own end but, as it turns out, there was even more to learn. Katie Williams is a writer I had not tried before and Absent was a wonderful introduction for me. I'll be looking for her again and I suspect I'll be re-reading this book, something I rarely do.
