### **Boxed In: How to Bypass the “Desired Salary” Field on ...**

1. Submit the application with the salary fields left blank. Sometimes, the online application won't actually verify that you entered an answer to the salary questions, and you can submit it with blank answers. Give this a shot first. 2. Submit the application with fake numbers. This feels weird, but sometimes it's the only way.

### **Salary expectations questions—How should you answer them ...**

So why not answer the question? There is little to gain and much to lose by tipping your hand about your desired salary too early in the hiring process. Giving an answer that is too high may price you out of consideration, while answering too low may lead your interviewer to believe that you have not done adequate research into fair compensation.
