While poking around , searching for that "next great read", I stumbled upon the author profile of Wil Wheaton, who is probably best known for his role as Wesley Crusher on Star Trek: The Next Generation. Needless to say, I had to check out his work, and Hunter was the sampler of choice due to its sci-fi underpinnings. I have to say, I enjoyed it.

So to summarize, I enjoyed Hunter a lot. It proves Wheaton has the chops to simultaneously draw a reader into a Science Fiction story and pull on one's threads of emotion making them feel something. I wholeheartedly recommend Hunter. And to Wil, if you read this, I genuinely hope to see a full-length Sci-Fi novel from you some time in the future.

### **Hunter eBook: Wil Wheaton: Amazon.com.au: Kindle Store**

When the rebel-hunter Pyke chases a teenage girl into a dark alley, he expects to have a bit of fun before turning her over to his alien masters. What he finds will turn his world inside-out. This short story by geek icon Wil Wheaton feels like the preface to something larger.

Available now from Lulu.com!. Like the audio version of Just A Geek, this is a super-annotated edition, filled with tons of what I call "audio footnotes" for lack of a less stupid-sounding term. I hope we've created something that's more like sitting down in a room with me while I tell you stories, than it is a typical audiobook. I don't think a traditional publisher would let me get away with ...

### Books by Wil Wheaton

"Who is Wil Wheaton?" "Wil Wheaton!" "Michael," says Elena, "no matter how many times you say his name we still don't know who you're talking about." "He's a gamer!" Michael takes the mouse from Elena and clicks on Wil Wheaton's profile. "He's a total geek hero! He's an author and an actor. He used to be on STAR TREK." I point to the ...
