House of Suns remains one of my favorite novels, and it was certainly one of the most enjoyable to write. I don't remember any particular setbacks or impasses at any point in the process, which is an extremely unusual thing for me, especially where novels are concerned. The genesis of the book is simple enough.

Alastair Reynolds: House Of Suns. In his newest novel, House Of Suns, the vast distances the main characters travel are described largely through the time it takes to traverse them at close to the speed of light. Thousands of years pass between points, civilizations die and new ones take their place, and through it all is the inky blackness...
