My selection as a fellow in the Mathematical Association of America's (MAA) Project NExT has been a highlight of my professional career, and I continue to be involved in that program, which mentors beginning mathematician at the state level.

### **Profile John Saccoman - Seton Hall University**

the solution of a counting problem of bigger size can be obtained from the solutions of the same problem but of smaller size. It is by writing the recurrence relations and obtaining a number series from them, that the original counting problem can be solved. Chapter 17 to Chapter 19 study three series of numbers which are derived from
