Master/slave (BDSM) Sexual slavery in a BDSM context is both a sexual fantasy or sexual roleplay. The slave master or mistress might be any person or group, though the majority of such relationships are usually either one dominant, or a committed dominant couple, owning one or more slaves.

Master/slave (BDSM) - Wikipedia

Master-Slave Relations. Slave women were forced to comply with sexual advances by their masters on a very regular basis. Consequences of resistance often came in the form of physical beatings; thus, an enormous number of slaves became concubines for these men. Most often the masters were already bound in matrimony,...
