When teaching reading, American classrooms often focus exclusively on skills instruction. But how can you teach the "how" without the "why?" In his new book

Igniting a Passion for Reading: Successful Strategies for ...

I have taught English on the secondary level for the past 12 years, and for many of those years I taught books only one way: I would hand out a set of novels, and study guides to go along with them. In class we would do close readings and go over the study guide questions, and, of course, as an ...
