**Newest 'transparency' Questions - Super User**

What makes all of this possible is the posture of transparency—the willingness to be seen, knowing that transparency may not always be reciprocated or appreciated. A boss sharing her vision with the team, looking your friend in the eye and telling the truth, or owning your mistakes—none of this is possible without transparency.

**Transparency - CreativeMornings themes**

Transparency, as used in science, engineering, business, the humanities and in other social contexts, is operating in such a way that it is easy for others to see what actions are performed. Transparency implies openness, communication, and accountability.. Transparency is practiced in companies, organizations, administrations, and communities. For example, a cashier making change after a ...
