Background. In developing the Advance Payment ACO Model, CMS responded to input from stakeholders received on the proposed rule for the Shared Savings Program, and comments received (PDF) on the initial Advance Payment Model announced in May 2011. Some providers

expressed a concern about their lack of ready access to the capital needed to invest in infrastructure and staff for care coordination.

Advance Payment ACO Model - innovation.cms.gov

Would you be surprised to know most entering retirement lack a well-designed plan that is dependent on more than rates of return? After years of witnessing the confusion and intimidation many feel about their income plan during retirement, we became passionate about developing simple to understand and trusted income plans.
