The classic proverb holds that, "There is honor among thieves." 1. The meaning, of course, is the concept of "professional courtesy," that even the disreputable and unethical do - particularly among themselves - adhere to various sorts of moral codes of conduct. 2 As to the converse, "no honor

among thieves," the meaning is self-explanatory.

A political aspirant turned author, Jeffrey Archer seems to delight in conspiracy and simple twists of fate in his fiction, even as these forces have shaped a rocky course in his own life. Misfortune led Archer to write the book that began his career, but fate seems to have smiled on his bestselling books.
