(I have a bunch of books in this New Critical Idiom Series--all excellent), so I highly recommend the series.) This is one of the best book on critical theory I've read. It is so well written that it made me spend a lot of time with it, much more than I intended, so that I read each paragraph several times and really thought about the points made.

### **Intertextuality by Graham Allen - Goodreads**

No text has its meaning alone; all texts have their meaning in relation to other texts. Since Julia Kristeva coined the term in the 1960s, intertextuality has been a dominant idea within literary and cultural studies leaving none of the traditional ideas about reading or writing undisturbed. Graham Allen's Intertextuality outlines clearly the history and the use of the term in contemporary ...
