The Trusted Leader. Trust is a vital ingredient in organizations since they represent a type of ongoing relationship. In their book The Trusted Leader, Robert Galford and Anne Seibold Drapeau analyze this important aspect of leadership and offer models for understanding trust and how to build it.. Galford and Drapeau identified three categories of trust within an organization:

The Trusted Leader (Galford and Drapeau) - QuickMBA

Leadership is both a research area and a practical skill encompassing the ability of an individual or organization to "lead" or guide other individuals, teams, or entire organizations. Specialist literature debates various viewpoints, contrasting Eastern and Western approaches to leadership, and also (within the West) United States versus European approaches.
