A life of one's own (Book, 2011) [WorldCat.org]

A Life of One's Own has always felt as though it were waiting just for me: a thinking person's self-help book. There is something about Milner's appeal to the possibility of experiencing something of "one's own" that invites one to reject any sense of indebtedness to the forgotten source, to feel directly addressed.

B-Sides: Marion Milner's "A Life of One's Own" | Public Books

Using her own personal diaries, kept over many years, she analyses moments of everyday life and discovers ways of being, of looking, of moving, that bring surprising joy - ways which can be embraced by anyone.
