A Map Of The Known

Here's the first official world map of Game of Thrones, which I was commissioned to illustrate for the Lands of Ice and Fire poster set for Random House. The Song of Ice and Fire is an epic series, and it was a privilege to create the map of the known world for the first time. It ... Continue reading "Official World Map of A Song of Ice and Fire"

Official World Map of A Song of Ice and Fire - Fantastic Maps

A Map of the Known World was a beautiful balance of serious sadness, romance, and art. I often fear "sad" books but I loved the way this one balanced itself out. For every heartbreaking passage there was another about finding a romantic connection, a new friend, or creating a beautiful piece of artwork.

A Map of the Known World by Lisa Ann Sandell - Goodreads

This web page is designed to give everyone an idea of what our universe actually looks like. There are nine main maps on this web page, each one approximately ten times the scale of the previous one. The first map shows the nearest stars and then the other maps slowly expand out until we have reached the scale of the entire visible universe.

An Atlas of The Universe

For more information, please check out the SCA website. If the maps on the site were made by the author. ...

Known World Map - misfit-robots.com

A Babylonian world map, known as the Imago Mundi, is commonly dated to the 6th century BCE. The map as reconstructed by Eckhard Unger shows Babylon on the Euphrates, surrounded by a circular landmass showing Assyria, Urartu and several cities, in turn surrounded by a "bitter river" (), with eight outlying regions (nagu) arranged around it in the shape of triangles, so as to form a star.

This map shows the oldest light in our universe, as detected with the greatest precision yet by the Planck mission. The ancient light, called the cosmic microwave background, was imprinted on the sky when the universe was 370,000 years old. It shows tiny temperature fluctuations that

correspond to regions of slightly different densities.

Best Map Ever of the Universe | NASA

A political map of the known world. The external borders of the Seven Kingdoms are pretty much fixed: the Wall marks the northern end of the nation and the sea defines the rest. The internal borders are a little bit more debatable, but these will be the subject of a future post.
