How to Win a Cosmic War is both an in-depth study of the ideology fueling al-Qa'ida, the Taliban, and like-minded militants throughout the Muslim world, and an exploration of religious violence in Judaism, Christianity, and Islam. Surveying the global scene from Israel to Iraq and from New York to the Netherlands, Aslan argues that religion ...

A cosmic war is a religious war. It is a battle not between armies or nations, but between the forces of good and evil, a war in which God is believed to be directly engaged on behalf of one side against the other. The hijackers who attacked the United States on September 11, 2001, thought they were ...

How to: Win Cosmic Encounter every time It's been but one short month, give or take, since I bought Cosmic Encounter. I do not believe that one month is anything like the amount of time you need to spend with CE in order to have any idea how to play it, let alone have a good idea on all the major mechanics.

If you read books or search the internet for how to win the lottery, you'll find a lot of tips that don't work. Lottery frequency schemes (every number has an equal chance of winning, no matter how recently it was drawn), software that's supposed to be better at picking numbers, and other forms of wishful thinking abound.
