'American Dreams,' by H.W. Brands - SFGate

American Dreams: The United States Since 1945 H.W. Brands review by Roger Bishop. June 2010. Americans have always been dreamers, beginning with the Founders, who aspired to liberty, equality and the pursuit of happiness for all. At the end of World War II, the U.S. was alone in its power; of all the Allied and Axis countries, it was the only ...

American Dreams: The United States Since 1945 by H.W ...

With barely twelve pages of endnotes to backstop a substantial text that dares to cover two-thirds of a century, and bereft of either a bibliography or an explicit challenge to regnant interpretations, American Dreams makes no claim to advance a reexamination of recent American history. This volume therefore should not be judged on unfair terms.

American Dreams: The United States since 1945 | Journal of ...

The American Dream EB-5 immigrant investor program gives you the easiest route to visa residency in the United States: There's no sponsor required, no special language, education or business experience requirements and no restrictions of movement.

Home - American Dream

The American Dream is a national ethos of the United States, the set of ideals (democracy, rights, liberty, opportunity and equality) in which freedom includes the opportunity for prosperity and success, as well as an upward social mobility for the family and children, achieved through hard work in a society with few barriers.
