The Beekeeper of Aleppo is a beautiful, haunting novel that captivated me for two days as I made my way from Wellington to Napier in New Zealand. As I read it, I couldn't help but be conscious of how privileged I am. My entry to New Zealand from Australia was merely a matter of producing my passport, (and I have two that I can choose from), and my journey by rail and road was simply a matter ...

After running a minor post about poll results this morning to pass the time between Brexit fiascos, we got a bit engrossed – as we're wont to do now and again – in some stats. Because the Labour Party in Scotland has been in a seemingly inexorable slide into irrelevance for a good few years now, and seems completely unable to find itself a supremo capable of stopping the rot.
