Can any one give me an idea of when the Math re-test of the Exit level Taks is? And will it be different/easier...etc? We were told there would be 55-60 questions on the first one but there were 70 which I thought would be good since you could miss one or two more and pass. Is there anyway that the grading was messed up? Only 36% of the Juniors at my school passed the math section :/
