Freewriting and "Accidental Genius". It teaches readers a liberating, freestyle form of writing, called freewriting, that does two things for them: 1. It acts as a problem-solving tool, which helps them think through business problems. 2. It serves as a tool of thought leadership, which enables them to write one-of-a-kind books, posts, speeches,...

### **Freewriting and "Accidental Genius" - Levy Innovation**

Genius is always accidental. Basically we are all blind to our own potential, so we have to flush it out of our subconscious, in much the same way that a hunter flushes quail out of the bushes. Writing is a great way to do that, but so is drawing and debating and dancing and improvising poetry and music and all sorts of extemporaneous activity.
