The son of an Indian father and an American mother, Akash Kapur spent his formative years in India and his early adulthood in the United States.

India Becoming: A Portrait of Life in Modern India by ...

India Becoming is a rare insider's look at the process of development, a ground-up portrait of massive economic, social and cultural transition. Akash Kapur eschews the broad sweep of policy tomes, opting instead for a close look at the villages, towns, and lives being swept up in India's great leap toward modernity.
