to buy a Ninie Hammon book - and to get a COLLECTION... I bought every one of these books as a singles! I read so many books I get them confused or forget half of them - but not Ninie's books. I find myself thinking about the characters and the stories long after I'm done. I find myself re-reading them when I'm paging through my Kindle.

Black Sunshine is Book Three in the Unexplainable Collection. In this collection of four stand-alone suspense novels—each with its own cast, a unique setting and a story unconnected to the other three—all the characters start out believing that the universe operates in a predictable manner, that there are immutable laws and a natural reason for everything.
