Alan Turing: Unlocking the Enigma - itcher.com

review 1: Despite the fact that I make my living working on modern-day Turing machines, I really didn't know anything about the man. I've referred to the Turing Test innumerable times but didn't know the first thing about why the question of whether a machine that he could only dream of would occupy so much of Mr. Turing's thought time. This little book was a great introduction to the man and ...
