"Little Red Rooster" (or "The Red Rooster" as it was first titled) is a blues standard credited to arranger and songwriter Willie Dixon. The song was first recorded in 1961 by American blues musician Howlin' Wolf in the Chicago blues style. His vocal and slide guitar playing are key elements of the song. It is rooted in the Delta blues tradition and the theme is derived from folklore.

nothing crazy about deciding to to spend big bucks for what amounts to a label. I've also heard the analogy that Apple's like living in the city, where everything's controlled; Windows is living in the suburbs, where there's still control but a lot more freedom; and Linux is rural-lots of freedom, but hardly anyone to tell you what to do, even if you want it.
