American Canopy Trees Forests And

His first book, *American Canopy: Trees, Forests, and the Making of a Nation* (2012), received the Association of American Publishers' PROSE Award for US history and was named one of the top books of the year by Smithsonian magazine. He earned his BA and PhD from Yale and his JD from Harvard.

American Canopy: Trees, Forests, and the Making of a ...

American canopy is the history of trees in the United States since the coming of Europeans. If you love trees, it's a painful book. I didn't know that the Eastern forests were filled with giant trees. The giant white pines that covered most of the New England were destroyed for lumber. Poplars were taken for ship masts.

American Canopy: Trees, Forests, and the Making of a ...

Today, few people think about where timber comes from, but most of us share a sense that to destroy trees is to destroy part of ourselves and endanger the future. Never before has anyone treated our country's trees and forests as the subject of a broad historical study, and the result is an accessible, informative, and thoroughly entertaining read.

American canopy : trees, forests, and the making of a ...

A robust tree canopy comprised of largely invasive species, for example, is not a healthy urban

forest. Age and species diversity, condition of trees and equitable distribution across income levels, to name a few, should also be considered. To help with this, American Forests will launch in late spring a new Vibrant Cities Lab website.
