Advanced Physics For You Answers PDF Download

I am studying Physics at AS level, under the AQA-A syllabus. I bought the advanced physics for you textbook. In the back, it lists which sections I should revise from. However, I don't trust this because other sections in the book are things I know should be on my exam, yet the book does not tell me to study these. I know this is a shot in the dark, but does anyone have any idea which sections ...
